Description:

## Crucial 8GB Single DDR4 2400 MT/S (PC4-19200) SR x8 SODIMM 260-Pin Memory - CT8G4SFS824A

Upgrade your laptop's performance with the Crucial 8GB DDR4 Laptop Memory, designed to enhance speed and responsiveness for seamless multitasking. With a memory speed of 2400MHz, this high-quality RAM module is built to handle data-intensive applications, ensuring your laptop operates faster and smoother.

### Key Features:

- **Improved Performance:** Revitalize your laptop's performance by adding more memory. Load programs faster, increase responsiveness, and run multiple applications simultaneously with ease.
- **Easy Installation:** Upgrading your laptop's memory is straightforward. Our simple installation process doesn't require advanced computer skills. Follow our step-by-step instructions or watch our installation videos for hassle-free setup.
- **Compatibility:** This DDR4 SODIMM memory is specially designed for laptops and is compatible with various laptop models. It's an ideal choice for those seeking a cost-effective solution to enhance their laptop's capabilities.
- **Reliable Brand:** Crucial is a brand you can trust. With over 40 years of experience in memory technology, our products are engineered for long-lasting performance and reliability.
- **Lifetime Warranty:** Your investment is protected with our lifetime warranty, ensuring peace of mind for years to come.

## Specifications:

- **Type:** DDR4 SODIMM
- **Capacity:** 8GB
- **Speed:** 2400MHz
- **Compatibility:** Designed for laptops
- **Warranty:** Lifetime warranty for added assurance

Upgrade your laptop's capabilities and experience smoother multitasking with the Crucial 8GB DDR4 Laptop Memory. Enjoy faster load times, increased responsiveness, and a more efficient workflow. Boost your laptop's performance with Crucial, a trusted name in-memory technology.
