PlayStation 4 console sold separately.

Listing details

Reference Number: RF201031

Common

Price: \$ 449.99

Country: United States

Description:

Immerse yourself in a new world of gaming with this PlayStation VR launch bundle. Included is the PlayStation VR core bundle with headset, the processor unit, stereo headphones and cables, plus a camera and two motion controllers for an interactive experience. This PlayStation VR launch bundle comes with a demo disk and the Worlds game disk to start you off.

Product Features:

Compatible with Sony PlayStation 4

Redefine your expectations of immersion in gaming with moments so intense your intuition takes over.

Required connectors

HDMI, USB, AUX, stereo headphone jack.

Move With Purpose

The LEDs around the PlayStation VR headset, on the DUALSHOCK 4 and the PlayStation Move controllers are tracked by the PlayStation Camera, providing an incredibly precise capture of your natural movement in virtual space.

3D Audio Technology

3D Audio means that you'll be able to pinpoint sounds above, below, and all around you. Instinctively turn your head to the source of a single footstep and be able to judge its distance, just as you would in real life.

Advanced VR Display

The feeling of "being there" starts with what you see. Seamless visuals keep you connected to the virtual world through an expansive 5.7" OLED 1080p display running at up to 120 frames per second.

Just Plug and Play

Getting into PlayStation VR couldn't be easier. Just plug the PlayStation VR headset and your PlayStation Camera into your PlayStation 4 system. You're ready to go.

Industry Leading Design

The PlayStation VR headset was engineered to be balanced, comfortable, and completely adjustable. It's designed to feel like it's not there - keeping you free from distraction as you explore new gaming worlds.

PlayStation VR Worlds

PlayStation® VR Worlds takes players on a journey through five high quality VR experiences built exclusively for the launch of PS VR.

Getting into PlayStation VR couldn't be easier. Just plug the PlayStation VR headset and your PlayStation camera into your PlayStation 4 system. You're ready to go.
