

Sony PlayStation Move Motion Controller

Listing details

Reference Number: RF131428

Common

Price: \$ 99.99

Country: United States

Description:

Get into the action of favorite games with this pack of PlayStation Move controllers. A round light provides visual feedback while you play, and the controllers are rechargeable to cut down on battery costs. This two-pack of PlayStation Move controllers pairs easily with the navigation controller for increased excitement on a variety of games.

Product Features

Motion Controllers work together with the PlayStation Camera to track both fast and subtle movements with astounding precision. An ergonomic design makes wielding everything from ancient swords to cooking spatulas easy and intuitive.

Bundle includes two motion controllers and two mini USB charging cables

Advanced motion sensing and light tracking technology

Easily accessible trigger and face buttons

Immersive vibration feedback

Rechargeable batteries provide long hours of play

Control the action from almost anywhere in the room without cords getting in the way thanks to wireless technology

Compatible with PlayStation®4 and PlayStation®VR gaming consoles
