Description:

Samsung 360 Gear VR Collection

From the little moments in your day to the horizons you pursue, capture life as it happens with Gear 360. The front and rear lenses each capture 180 degrees horizontally and vertically, creating a seamless and complete 360-degree field of view. Whether you're creating engaging customer content or celebrating business success, your good days at work are captured in 3840x1920 high-resolution video and 25.9MP photos.

1. Capture the great outdoors with confidence thanks to the dust and splash resistant design.
2. Compatible with Galaxy Note 8, S8, S8+, S7, S7 Edge, Note 5, S6 Edge+, S6, S6 Edge handsets.
