Description:

Robotic Arm Add-on Pack for Starter Robot Kit - Blue

Makeblock Robotic Arm Add-on Pack is a robot pack to expand upon your Makeblock Starter Robot Kit. It contains all the parts to build the robotic arm such as DC Motor-37, Robot Gripper, beams, timing pulleys and hardware.

The robotic arm tank is interesting, nimble, and strong enough. It can be controlled by a IR remote controller , you can use the IR Remote controller to turn the robot in all the directions and pick up a bottle of water in 200ml.

Now, use this pack to build your Robotic Arm Tank!

Features:

Expand upon Makeblock Starter Robot Kit to build a Robotic Arm Tank or Robotic Arm Car.

All parts of the robotic arm are included.

Largest open size of robot gripper is 76mm

Motor inside the gripper will stop when it fully open and fully closed
