Description:

4tronix Robo:Bit Buggy for BBC micro:bit

If you have a BBC micro:bit then you should get the Robo:Bit buggy. Using the basic kit, you can learn about controlling motors and use the accelerometers or compass on the micro:bit to aid navigation and collision detection. You can also make a very cool remote control robot by using another micro:bit and the radio function.

Features

Have fun and learn robotics at the same time

Quick to assemble with just a screwdriver

Chunky wheels and powerful motor

Ideal for many projects

Batteries and micro:bit sold separately
