Common

Description:

Digital Transformation World Expo Istanbul

DXWorldEXPO® will be the world's most important tech event with 1,000 exhibitors in its first year and 2,000 exhibitors in its second year, as it guides Global 2000 companies through their Digital Transformation journey for the next two decades. It will be sponsored by Fortune 50 companies, and more than 30 international banks will be among sponsors of its FinTech/InsurTech track.
