

Robotex International Event 2018, Estonia - November 30-December 2, 2018

Listing details

Reference Number: RF177347

Common

Description:

Robotex International is an annual event and the biggest robotics festival on the planet. Thousands of engineers, executives, students and families come together to be inspired by industry leaders, build robots for various challenges and learn about the latest technology innovations.

We're excited to announce that Robotex International is hosted in Tallinn, Estonia in 2018 for the 18th time in a row. The festival will be jam-packed with spectacular competitions and amazing keynotes, buzzing Expo hall, workshops, and much more.

Date: November 30 - December 2, 2018

Venue: Robotex International is taking place at two venues and several satellite events are being held all around Tallinn.
