Sessions: Robotics + AI 2019, Berkeley, Apr 18

Listing details

Reference Number: RF774307

Common

Description:

Join TechCrunch's editors for a day of on-stage, live interviews and demos with the world's leading technologists, founders and investors on robotics and AI, workshops on key topics, and focused networking.

Interviews and Demos

TechCrunch's editors interview top names in the field, many of whom will demo their latest work.

Workshops

Interact with top technologists to learn how they are building robots and AI systems today.
