

CYBER SECURITY & CLOUD EXPO GLOBAL, 25 April 2019 Hammersmith,, London

Listing details

Reference Number: RF132976

Common

Description:

The **Cyber Security & Cloud Expo Global** will arrive in the heart of London on the 25-26 April 2019.

Presented in a series of top-level keynotes, interactive panel discussions and solution-based case studies, the Cyber Security & Cloud Expo will explore the industries currently undergoing, and set to undergo, major disruption. These include financial services, healthcare, insurance, energy, government, automotive and more.

Co-located with IoT Tech Expo, AI & Big Data Expo and Blockchain Expo, the co-located exhibition provides a fantastic opportunity for networking and learning across the entire ecosystem.

date: 25 April 2019 09:00 - 26 April 2019 17:00
