Description:

Bosch ConnectedWorld (BCW) is the leading conference on the Internet of Things and digital transformation. We expect to welcome 5,000 participants in Berlin on May 15-16, 2019. BCW brings together the best minds to catalyze the creation of connected products and solutions invented for life.

The conference, exhibition, hackathon, and many opportunities available to network and collaborate under different formats, really make this event equally attractive to executives, decision makers, digital transformers, innovators, developers, entrepreneurs, and IoT enthusiasts alike.
