Description:

If you're based in Europe, you don't want to miss Bosch's Connected World conference. BCW brings together over 5,000 of the best minds to catalyze the creation of connected products and solutions invented for life. There are many opportunities available to network and collaborate under different formats to make this event equally attractive to executives, decision makers, digital transformers, innovators, developers, entrepreneurs, and IoT enthusiasts alike.

Diversity not only applies to our range of topics and formats, but also to the participants from various industries around the world. The show stimulates the exchange of knowledge and co-creation and fosters new business opportunities.
