Listing details

Reference Number:	RF811325

Common

Description:

QuBit is a Cybersecurity Community Event connecting the East and West and it is already the 6th year on the cybersecurity market in CEE region. Based on the success in Prague, QuBit expanded further and brought educational conference also to SEE region.

QuBit strive to bring together and build a cybersecurity community of like-minded fellows. Our mission is to create a community of knowledge and information sharing for the industry's experts and professionals through networking & education events.

7 reasons why to attend QuBit Conference:

1. To be informed about latest trends and threats in Cyber Security field and stay one step ahead by getting know how other handle their security

2. To attend highly educational presentations, visionary key-note speeches and technical case studies

3. To connect with senior level experts, decision makers and technical geeks in order to see the bigger picture and understand issues from both sides

4. Listen to the international speakers, also experts from US and other countries, and also from the SEE region who understand your issues, that will share their best practices and solutions

5. To become a part of community of cyber security experts in SEE Region
