

Mobile World Congress, Los Angeles - October 22 - 24, 2019

Listing details

Reference Number: RF430203

Common

Description:

Mobile World Congress LA is the largest mobile industry event in North America. It's organized by the GSMA (Groupe Speciale Mobile) and held LA Convention Center. In 2018, nearly 22,000 people attended the annual conference and programs to view new cutting tech on the exhibition floor.

Professionals and industry leaders from 112 countries and territories were present, and 220 media and industry analysts covered the event. Over 400 speakers shared their expertise over 75 hours of program content. Stay tuned for the 2019 event themes.

Date: October 22 - 24, 2019

Location: Los Angeles, CA

2018 Speaker highlights: HBO, Accenture, Adobe and more
