Cyber Security & Cloud Expo Europe 2019, Amsterdam - 19 - 20 June 2019

Listing details

Reference Number: RF752892

Common

Description:

Presented in a series of top-level keynotes, interactive panel discussions and solution-based case studies, the Cyber Security & Cloud Expo will explore the industries currently undergoing, and set to undergo, major disruption. These include financial services, healthcare, insurance, energy, government, automotive and more.

Co-located with IoT Tech Expo, AI & Big Data Expo and Blockchain Expo, the co-located exhibition provides a fantastic opportunity for networking and learning across the entire ecosystem.

Date: 19 - 20 June 2019
