

Hard Fork Decentralized, December 12 -14, 2018, London, UK

Listing details

Reference Number: RF174465

Common

Description:

Hard Fork Decentralized works with the crypto and blockchain community to take over London, transforming the city into an interactive hub. You can see inside leading blockchain, crypto, and finance companies and network at memorable meetups and workshops city-wide.

With more than 50 intimate decentralized tracks inside companies across the city – keynotes, hands-on workshops, and many purposeful networking sessions – Hard Fork Decentralized is aiming to bring the next 100 million users to the blockchain.
