

Ethereal New York - 10 May 2019 - 11 May 2019 - New York, NY, USA

Listing details

Reference Number: RF743129

Common

Description:

Ethereal Summit brings together adventurous thinkers from all walks of life. Builders, philosophers, policymakers, artists, and humanitarians from around the world gather for two days of storytelling and knowledge sharing around how we can build our decentralized future together using blockchain technology.
