

Value of Bitcoin Conference, 03 Jun 2019 - 03 Jun 2019, BayernLB HQ, Munich, Germany

Listing details

Reference Number: RF221934

Common

Description:

The VoB is a dialogue event that brings together skeptics, advocates, entrepreneurs and inquisitive decision makers. It is a platform to discuss the potential benefits and pitfalls of bitcoin. Nobody knows how this socio-economic experiment will pan out but there are many who have strong differing opinions about it. The goal is to get a comprehensive understanding and enable all attendees to make well-informed decisions about bitcoin related to their profession.
