Common

Description:

DAS provides a unique opportunity to compare approaches from a wide variety of institutions dealing with the same media challenges. Bringing together content creators, technologists, and caretakers to address the full life cycle of a media asset – from production to rights management – for in-depth case study analysis of what works in the real world.

Past case studies have included Major League Baseball, Jewish Education Media, Smithsonian Institute, the Santa Clara Police Department, Johns Hopkins University, FBI, Bandito Bros. Productions, WWE Network, The Flemish Institute for Archiving, Family Search, BBC Scotland, WNET, Kaiser Permanente, and others.
