

Hackathon | Draper University, 05 Jul 2019, 44 E 3rd Ave, San Mateo, CA 94401, USA

Listing details

Reference Number: RF528070

Common

Description:

Draper University is happy to announce its summer hackathon.

By getting involved you will be joining hackers, product developers, marketers, business leaders and Draper University entrepreneurs.

The HEROthon is held simultaneously with Draper University's Summer Hero Training program.

Challenge Challenge yourself to solve a big problem, innovate without limits, and set out to bring positive change in the world. Use your entrepreneurial spirit to incorporate next generation technology such as AI, machine learning, IoT, blockchain, big data or incorporate hardware to solve a big problem in the world.

Details Join a Draper University entrepreneur in hacking and pitching within 40 hours. Teams will have a chance to pitch to Draper U Ventures and Draper Associates. Winning teams get prizes and will be published on Draper University social channels. Must be over 18 to participate.

- Workshops and other opportunities to learn
- Mentors available to help you with your project
- Prizes given to winning teams
- Food available throughout the day
