

ELEV8 London 2019, 23 Sep 2019 - 24 Sep 2019, London, UK

Listing details

Reference Number: RF160363

Common

Description:

The ELEV8 team is a tight knit group of event professionals with close to 20 years experience producing executive-level, leadership-oriented programs in emerging and highly fragmented industries.

ELEV8's traveling events showcase companies who are using blockchain technology to improve industries with increased efficiency, security and transparency, educate current and future industry participants on blockchain technology, and ultimately serve as a platform to connect industry participants to assist in the adoption and implementation of blockchain.
