Description:

BINARYSTAR and ABR are organizing Unblock Tokyo: Ecosystem Fast Track on October 5th, in a major gathering of all-star developers to shed light on the latest developments in the industry and exclusive project updates for the blockchain and crypto community.

BINARYSTAR Japan and Asia Blockchain Review are ready to deep dive into the blockchain and crypto landscape at Unblock Tokyo, welcoming all players and members of the blockchain and crypto community in Japan and beyond to discuss what the future holds for the industry and how to prepare for what's to come.

Unblock Tokyo is set to become the largest gathering of blockchain innovators, representing the top 40 most influential blockchain companies from around the world. Our speakers will spotlight the latest project updates and ambitious roadmaps, while sharing their insights into the most pressing topics of the crypto and blockchain industry, such as the STO landscape in Japan and Asia as well as the rise of Decentralized Finance.

The state of blockchain and cryptocurrency in Japan has come a long way, with regulators initiating a regulatory sandbox for emerging technologies and issuing operating licenses for 19 digital asset exchanges. On the business side, 100 Japanese manufacturers have joined forces to share critical production data on a blockchain platform, in a bid to elevate the entire Japanese manufacturing industry.
