Listing details

Reference Number: RF227807

Common

Description:

Each year Finnotec brings together some of the leading minds in the financial technology sector, both from New Zealand and overseas to discuss, design and shape the future of fintech in New Zealand. Finnotec draws both incumbents and startups alike with the singular aim to not only showcase our best but to forge a collaborative future.

The event is peppered with both thought leadership sessions as well as product demos and pitches. With ample time for networking, the event attracts entrepreneurs, angel investors, venture capitalists, senior corporate leaders, professional service firms, policy makers and regulators, with wide coverage by the media.
