

European Blockchain Convention Barcelona 2020, 20 Jan 2020, Barcelona, Spain

Listing details

Reference Number: RF726588

Common

Description:

European Blockchain Convention Barcelona is a comprehensive one-day event that brings together 600+ tech leaders, regulators, investors, corporations, developers and entrepreneurs from the Blockchain industry.

Our mission is to provide world-class content in collaboration with the brightest minds in the space, while we facilitate an exclusive networking environment where all participants meet to form business relationships and seek potential partners for ventures.

We focus on real life applications of blockchain and DLT in industries such as energy, finance, supply chain, government, insurance, healthcare, retail and mobility.
