Common

Description:

2020 Speakers: Jaguar, Kaspersky, Ford, Google and more

Why attend: If you're based in Europe, or looking to travel, you don't want to miss Bosch's Connected World conference. BCW brings together over 4,000 of the best minds to catalyze the creation of connected products and solutions invented for life. There are many opportunities available to network and collaborate under different formats to make this event equally attractive to executives, decision makers, digital transformers, innovators, developers, entrepreneurs, and IoT enthusiasts alike. The show is focused on sharing knowledge, building co-creation opportunities, and fostering new business opportunities.
