Description:

7th annual cyber community conference QuBit offers its delegates as usual excellent speakers, leading edge topics, keynotes, case studies, panel discussions and popular networking events.

April 22-23, are two full days, where conference is running in two parallel tracks (cyber and management). Our sessions are strictly educational, we allow only one marketing presentation, preferably case study as QuBit listens to its audience and offer only quality and valuable presentations and partners who are helping to improve current state of environment.

The Cybersecurity Conference in CEE region.

Practical workshops, excellent speakers, educational session, news & networking.

The CEE region conference on cybersecurity held again in Prague – “Rooftop of Europe” and Bohemian capital in April, 2020. Community partners and professionals from all over the world gather for one day of hands-on Training and two full days of engaging and inspiring sessions brought to you by some of the brightest minds in the cyber space.

when:22 April 2020 09:00 - 23 April 2020 20:00

where:Hotel Don Giovanni, Prague, Prague, Serbia
