Description:

IoT Week 2020

1 – 5 June 2020

The Convention Centre Dublin, Ireland

The 10th International IoT Week conference will be held in June 2020, from the 1st to the 5th at the Convention Centre Dublin, Ireland.

The IoT Week conference is a flagship event in Europe where IoT Technology, Platforms, Services and Industrial Applications are discussed. It provides ample opportunities for learning about IoT challenges and opportunities as well as networking with business, industry and academia from around the world. The main focus of IoT Week 2020 will be on defining the Next Generation of IoT for a Sustainable Future.

Join us at the 10th edition of IoT Week!
