Job Description:

About Duggan Investments

Duggan Investments is a Florida based family office founded by Robert W. Duggan, a self-made billionaire who has achieved great success across multiple industries and disciplines spanning 50 years.

The mission at Duggan investments is to improve the quality and duration of human life. Starting in the '90s, Mr. Duggan was a groundbreaking pioneer in robotic surgery at Computer Motion, which merged to become Intuitive Surgical, and created the DaVinci keyhole surgery robot. Currently, these robots are used over 3000 times a day across the world as a patient-friendly alternative to invasive surgery. Another groundbreaking company of his was Pharmacyclics, which researched and brought to market IMBRUVICA®, hailed as a miracle drug which brings hope and extended life to cancer patients across the globe. Under his leadership, Pharmacyclics grew from a market cap of \$26M in 2006 to being acquired by AbbVie for \$21.5B in 2015.
