Price: \$ 115.55

Posted: 4 years ago

Description:

- Works with Alexa for voice control (Alexa device sold separately). Requires iOS (9.0 or higher) or Android (5.0 or higher) smartphones
- Always home. Real-time alerts, HD video and two-way audio makes it easy to answer your door as if you were home.
- Know who's there from anywhere. Get real-time alerts on your phone whenever someone approaches your doorstep, even when you're not home.
- Never miss a moment. August Doorbell Cam Pro records and stores video of each moment at your door. The free, Basic VideoRecording subscription, lets you replay any videos from the last 24 hours. Upgrade to Premium Video Recording to access 30 days of stored video recordings.
- Let guests in from your phone. Doorbell Cam Pro pairs with all August Smart Locks to easily let guests into your home.
- Full-color HD at night. Don't waste time with grainy infrared nighttime video. The built-in floodlight delivers clear, full color HD video even at night.
