

## Divider/Prescaler 52-Pin QFN EP Tray

### Listing details

Reference Number: RF169992

#### Common

Price: \$ 34.65  
Country: United States  
Description:  
Divider/Prescaler 52-Pin QFN EP Tray

Manufacturer Part #: NB7N017MMNG

Alternate Part #: NB7N017MMNG

#### Key Features

Maximum Input Clock Frequency > 3.5 GHz Typical  
50 ohm Internal Input and Output Termination Resistors  
All SingleEnded Control Pins CMOS and PECL/NECL Compatible  
Counter Programmed Using One of Two Single-Ended Words,Pa and Pb, Stored in REGa and REGb  
CML Output Level: 400 mV PeakPeak Output with 50 ohm Receiver Resistor to VCC  
16 mA CML output with 50 ohm Internal Source Termination to VCC  
Differential CLK, CE, and SEL Input  
Compatible with Existing 3.3 V LVEP, EP, and SG Devices  
PbFree Packages are Available
