

Smart Target I/O Accelerator 176-Pin PQFP

Listing details

Reference Number: RF158608

Common

Price: \$ 39.59
Country: United States
Description:
Smart Target I/O Accelerator 176-Pin PQFP

Manufacturer Part #: PCI9030-AA60PI F

Alternate Part #: PCI9030-AA60PI F

As PCI evolves in today's complex systems, PLX continues to provide market leading, high performance 32-bit PCI solutions. In this tradition, PLX is offering the PCI 9030 SMARTarget I/O Accelerator.

Key Features

PCI v22 compliant 52-bit 33M Hz Target Interface Chip enabling PCI Burst Transfers up to 132Mbytes/second.
Up to 60MHz Local Bus operation enabling burst transfers up to 240Mbytes/second
PCI Target Read Ahead Mode
PCI Target Programmable Burst
PCI Target Delayed Write
Posted Memory Writes
