

## Virtual summit , 21 july 2020

### Listing details

Reference Number: RF516903

#### Common

##### Description:

Singapore Blockchain Week (SGBCW) will connect the world to enjoy an amazing virtual experience which will be unique, convenient and safe. The premier blockchain industry event will be hosted online and bring together governments, industry leaders, academics and innovators, and aid collaboration on both regional and international level.

The anchor event for the week will be hosted by Blockchain Association Singapore (BAS) and co-organised by NexChange on July 21st, 2020. The conference and exhibition will provide a virtual event platform for both attendees and participants, with high-profile digitally-based interaction.

BAS will also coordinate series of other virtual events such as hackathons and coding workshops on July 22nd and 23rd.

when:21 july 2020
