Title: Software Architecture in Practice, 2e Paperback
Price: Rs 330.00

Description: The first edition of this book established itself as the leading book on this topic of growing importance. It was critically acclaimed (recipient of the Software Development Magazine Productivity Award) and widely embraced by customers. The second edition maintains the goals of the first edition: to define and explain software architecture and to demonstrate, through real-world case studies, its importance for software system design.
