Country: United States
Description:

Alexa, 'Turn on the lights of the living room'
The Wemo Smart Light Switch gives you total control over your lights, lights from the wall, the Wemo app, or with your voice using Apple HomeKit, the Google Assistant or Amazon Alexa. It connects to your existing home WiFi network to provide wireless control of your lights with no subscription required.

Belkin WeMo Smart Light Switch features:
Control lights from the wall, the App or your Voice*.
Works with Apple HomeKit, the Google Assistant and Amazon Alexa for hands-free control.
Easily set automatic schedules and timers in the app.
Group and control multiple Wemo devices with a 2-second press.
Randomize lights to make it look like you're home even when you're not.
Neutral wire required, not compatible with 3-way switches.
It has a very quick, simple installation.

SYSTEM REQUIREMENTS:

WiFi router
Android 6.0 or higher
iOS 11.0 or higher
Neutral wire required
Replaces single-pole switches only
Not compatible with 3-way (multi-location control) switches
Works with your existing single/double/multi-switch rocker-style plates
Not designed to work with metal face plates
