

NETGEAR Orbi Ultra-Performance Whole Home Mesh Wi-Fi System IOT

Listing details

Reference Number: RF158933

Common

Price: \$ 323.99

Country: United States

Description:

NETGEAR Orbi Ultra-performance Whole Home Mesh WiFi System, consisting of one Router and One Satellite. It delivers unparalleled WiFi coverage for all your devices, across all corners of your house. It creates one seamless network and the signal won't drop, up to 350 sq meters with strong WiFi signals.

The Whole Home Mesh Wi-Fi System helps expand the network coverage, without losing out on bandwidth for your existing devices. It works with Amazon Alexa and the Google Assistant so that you can use voice commands to control your home WiFi network.

NETGEAR Orbi Ultra-Performance Whole Home Mesh Wi-Fi System Features:

Provides good speed Wi-Fi

Simple and quick installation with Orbi app

Allows pausing Wi-Fi to do a quick status check

Eliminates Wi-Fi dead zones and buffering

NETGEAR Orbi Ultra-Performance Whole Home Mesh Wi-Fi System Price:

US \$ 323.99
