Description:

HP Windows Mixed Reality Headset with Motion Controllers

Escape into a world of imagination with Windows Mixed Reality. Set up your virtual home with great content—travel, sports, culture, live concerts, and games—in 10 minutes or less. All you need is a headset and a compatible Windows PC.

Device Specifications:

1. Two high-resolution liquid crystal displays at 1440 x 1440
2. 2.89" diagonal display size (x2)
3. Front hinged display, so you can flip the headset up while working
4. Up to 105 degrees horizontal field of view
5. Display refresh rate up to 90 Hz (native)
6. Built-in audio out and microphone support through 3.5mm jack
7. Single cable with HDMI 2.0 (display) and USB 3.0 (data) for connectivity
8. Inside-out tracking
9. 4.00m cable
